WHY US?

We Do It Right the First Time.

We install tires and wheels like they're our own. Free automated 5,000-mile rotation reminders, free tire rotations and pressure checks for the life of your tires, plus free 20K-mile alignment checks — helping you get the full 50K–70K-mile life from your tires. Integrity, honesty, quality equipment, experienced employees, and service focused on our customers.

Congratulations 😊

ESTIMATE TERMS

Estimates provided are an approximation of timing and charges for the services requested and may change if additional repairs or complications are discovered. Additional repairs require customer authorization before work is performed. Deposits are non-refundable. Special-order and electrical items are non-returnable. The shop is not responsible for delays caused by parts availability, shipping, or conditions beyond its control.
